

Giving Through a Donor-Advised Fund (DAF)

How to give

- 1. Log in to your DAF sponsor's online portal (e.g., Fidelity Charitable, Schwab Charitable, Vanguard Charitable, or your community foundation).
- 2. Recommend a grant to **Woodwell Climate Research Center**
- 3. Use our EIN to ensure your grant is directed correctly: **04-3005094**
- 4. Have your DAF sponsor send the grant to: **Anne Sellitto, Woodwell Climate Research Center, 149 Woods Hole Rd. Falmouth MA 02540**
- 5. Let us know a grant is on its way by emailing giving@woodwellclimate.org so we can properly acknowledge your gift — DAF sponsors don't always share donor details with us directly.
